Questions

All Sentences Must Be Complete!

Connections

What do you like or hate about your story so far? - Complete Sentences Please!

What do you expect will happen next? - Remember to complete your sentences.

Choose one passage from the book that says something important about life and how to live it. Write a brief essay or “meditation” explaining its significance (what it means about how to live and behave, why people do what they do, or why it’s important to you).

Passage (with page number)

Meditation (in complete sentences, of course)
