Second Edition

Meeting Attendance...

24 members, their families and guests attended the December meeting. Bob Jett's son Patrick Taylor honored us by taking time off from defending our freedom to attend our meeting, along with his family Christina and Ethan (Bob's grandson), Lisa Smith, Dillon Smith, and Bob's much better half Becky. The Labay family, Dixon Wenmohs, Charles Whited and Kenneth Cowan, Lorrie Cook, and last but by no means least the beautiful Elva Powers brought John along to pay for dinner.

Presidents Corner...

CBC Members, thank you for the honor of representing the club as your President for 2005. I will try to live up to the excellent standards set by our past Presidents. I will be developing a budget for 2005 with the help of the committee that was formed last month. I have three specific goals for 2005. First, I want to make sure all of our members are given the opportunity to be included in the planning and decision making during the year. While the majority of the members are "on line", there are some that are not or may have temporary problems connecting from time to time. It is so easy to just send out emails soliciting input on potential tourney sites, two day events, etc. and thus miss inputs from some members. I am challenging all of us to make sure we contact all the members when we are communicating. I would also challenge those of you that are not "on line" to hook up with a member who is and make some personal arrangements for that member to call you when items are being discussed via email so you can have an input. If we all work this just a little, we can keep everyone "connected". Second, I would like to see all new members' contact info added to the newsletter and the membership roster updated, revised with current date and distributed every time we have a new member. This will help the new members get acquainted with the current membership a little quicker. I would also like the secretary to put a short bio about each new member in the newsletter. I'll ask the webmaster to edit out the contact info on the letter that is posted on the website. Third, I want to develop a straight forward and non time consuming way to have some budget tracking and variance analysis provided. Milton and I have briefly discussed this and I am confident that between the two of us, we can come up with a process that will work. This will make financial planning so much simpler going forward. Thanks again for your support. I'm sure this will be a banner year for CBC.

Regards
Gary

CBC Business...

Club elects new officers

The club elected the officers for 2005:

Gary Swenson will serve as President

Bob Jett will support him as Vice President

David Hoedebeck will be acting as Secretary

Milton Thompson shows his dedication by serving a third term as Treasurer.

Also

Stan Miller has graciously volunteered to serve as Web Master and take over the tedious operation of the CBC web page from Tim Cook for the year 2005. Thanks Tim!

Tournament Committee

The first order of business for Gary was to assemble a tournament committee, the members who volunteered were:

Carl Adkins

John Beene

Kenneth Dees

Andy Labay

Milton Thompson

These guys will be your Tournament Committee through the July tourney. Please provide as much input and support as you can. Be thinking about your two-day tournament options.

Sportsman of the Year

Nominees for the Bobby G. Whiteside Sportsman of the Year Award 2005 are

Gary Swenson
David Hoedebeck
Milton Thompson
Andrew Labay

The club will vote, by secret ballot, at the January meeting.

Club Notes...

Open tourney

Gary reported that 76 teams fished and we had a Total Take Home of \$5667 after all expenses.

Soon

We will need volunteers to form an Open Tournament Committee, so be considering it. There are big shoes to fill this year, but I think the club has what it takes.

W.O.R.D. Workday

Speaking of Canyon Lake, W.O.R.D. is asking for volunteers to assemble 500 fish attractors. Our club makes money off the lake; the least we can do is put a little back. The work is not that labor intensive and we have a lot more notice for the second workday. It will be January 15th starting around 10am and ending when everybody leaves. We had some members attend the last workday. These structures should serve to improve fishing on Canyon Lake, which in turn should improve the turnout for our tournament. We need to do our part. Bring wheelbarrows, shovels, cordless drills and 1/8" drill bits. See you there.

Miscellaneous

We should also start entertaining ideas about a time and location for our Annual Awards Banquet.
