President's Corner...

Lance Wenmohs, President requested a formal response from TABC regarding the protest submitted by the CBC at the 2004 TABC State Tournament.

Dr. Wright,

On Sunday (Sept. 12, 2004), members of the Canyon Bass Club of San Marcos filed a written protest to the coordinators of the TABC State Championship. This protest was timely filed and dealt with judgement decisions that were made by TABC and tournament leadership. These judgement decisions directly affected the final outcome and results of the 2004 TABC State Championship. To date, the Canyon Bass Club of San Marcos has not received a written response to the written protest filed on 12 Sept. 2004.

The Canyon Bass Club of San Marcos met on Sept. 28, 2004. The membership asked me (as the club president) to ask you (as the TABC president) to provide a written response to the formal protest that was filed by our club on 12 Sept. 2004.

Thank you in advance for your timely response. Please contact me at 512-369-4495 if you have questions or require additional information.

Lance Wenmohs
President, Canyon Bass Club of San Marcos

Dr. Wright's Response

Lance:

According to conversation with the Tournament Director, I thought this matter had been resolved. The protest was that your member weighed 3 fish and was not allowed to weigh the 4th fish which remained in the livewell of the boat which had proceeded through the weigh-in line. Although not fully aware of the conversation or ongoings that occurred at the specific time as indicated in your written statement, I can only go on the decision by the TD at the time that only the 3 fish were weighed, and thus support that decision.

Personally, I have no doubt that the fish was legal and should have been weighed but cannot overturn the decision of the TD as it was his call.

Bud

Treasurer's Report ...

CBC Business...

2004 TABC State Tournament Results

CBC Team 1 finished in 3rd place with a two-day total weight of 36.81 lbs and CBC Team 2 finished in 12th place with a two-day total weight of 26.24 lbs. A total of 21 bass clubs participated in the 2004 TABC State Tournament. Tournament photos are on page nine.

CBC Open Tournament

John Beene, Co-Chairman CBC Open Tournament Committee provided an update regarding the CBC Open Tournament. John informed the CBC membership that the planning and organization of the tournament are going as scheduled. Gary Swenson, Co-Chairman confirmed CBC Open Tournament Flyer distribution locations. Thank you to all CBC members who attended the September meeting for participating in the Open Tournament flyer mail out (i.e. flyer folding, labeling, and postage).

Central Texas Bass Championship

For the second consecutive year the CBC ran another successful Central Texas Bass Championship weigh-in. However, this weigh-in tried the nerves of all CBC members who participated, when not one, but three equalizer scales failed to weigh bass. I would again like to thank the entire group of cool, calm participating CBC members who worked smoothly under pressure. Thanks guys for a job well done!

Ducks Unlimited Open Tournament

Bobby Whiteside was contacted by Ducks Unlimited (Texas Chapter) regarding the logistics of conducting a bass tournament, and possibly having the CBC conduct the weigh-in or provide organizational support. Bobby will communicate with Ducks Unlimited and update the CBC as necessary.

CBC Web Master Replacement Needed

Tim Cook is looking for a CBC Web Master replacement. Please contact Tim if you are interested (training available). This is a very important CBC position that has allowed the CBC to readily provide timely and accurate information to most of the CBC membership. Tim has done an outstanding job with the CBC website!! I encourage CBC members that have not participated as an officer or in any CBC administrative capacity to contact Tim and become actively involved in the CBC.

CBC Fall-Winter Two-Day Tournament

The CBC attending membership voted to have a two-day tournament this fall-winter. The two-day tournament will be a "local" tournament held in December. The CBC Tournament Committee will present lake choices at the October meeting.
