Club Notes...

Tim Cook presented some changes made by the BASS Federation this year. There will be a \$5 increase in dues and the way we send in the clubs yearly dues has changed a little. Carl Adkins made a motion (2nd by Bob Jett) that the club follow up with the National Federation to verify these changes. Carl also volunteered to be the one that does the legwork.

Tim also asked the club if it might be interested in sponsoring a Junior Bassmaster Chapter. This would give young people an opportunity to fish in a structured environment and even have the possibility of getting to fish in a national tournament with a pro angler with the possibility of winning a boat.

Dean Smith asked the club if they would host the weigh in for the Colorado River Foundation Lake Travis Bass Tournament Supporting Youth Fishing. The club agreed to furnish scales and will need volunteers in February or March to help.

Take time to join the CBC Forum, it will give everyone an opportunity to have their opinions and ideas heard in a timely fashion.

Please show your patronage and appreciation to our open tournament sponsors.

Webmaster's Corner...

Make sure to hit the site as often as possible to get the latest club news.

Treasurer's Corner...

Don't forget to keep your tournament fees current so no one loses any points.

Secretary's Corner...

As soon as the Os come in and we can get electricity to the shop, we will be having a plaque making party.

If you have any changes to your member information please make sure that you get that you notify the club secretary before the next meeting if at all possible.
